Dear Sir

KIMIA ZABIHYAN

I have known Kimia Zabihiyan since 1988. As a producer she made a distinguished contribution to Channel 4 Television between 1988 and 1996.

As a young energetic producer from a multi-cultural background she produced a string of successful documentaries for Channel 4 as well as setting up and running Observer Films with considerable success.

She would be a distinct asset to anyone who employed her.

Yours faithfully
